Lorrie Makofka MSN, RNC- OB, NEA-BC

The Annual Ohio AWHONN Section conference is developed by and for clinicians specializing in the care of people with the capacity for pregnancy and newborns.

The target audience is obstetric and neonatal RNs and APRNs.

Join us to

- investigate current issues in maternal and newborn health,
- review management of those processes, and,
- explore ways to resource clinicians against burnout/expoitation

AWHONN Ohio chapters basket raffle proceeds going to the Every Woman, Every Baby Campaign.

EWEB supports the professional development of members, research to improve nursing practice and patient care, and activities that promote perinatal well-being.

Getting to the Heart of Complex Perinatal Care: Caring for Complex Pregnancy Conditions and Ourselves
